

Bridal Make-up Artistry Course Outline

Course length: 21 hours

With a focus on the lucrative world of weddings, the Bridal Make-up Artistry Course takes the student from consultation to the creation of a bride's perfect look. The Bridal Course begins with the idea that a successful wedding make-up application starts with a clear plan for the bride and her family. From there, students learn both business and additional make-up techniques required to be successful in the bridal business.
